OUTLINE

Design Maya Cohen

Forme mai viste. Ideali per vedere oltre.
Superfici completamente smaltate. Zero porosità. Più igiene, più bellezza.
Colori assoluti. O in contrasto cromatico.
Spazi che si aprono su un nuovo concetto di bagno. Di arredo. Di estetica.
I sanitari diventano pezzi d'arredo, quasi dei mobili, dei contenitori,
grazie al piano d'appoggio creato dallo svuotamento dello spazio interno.
I colori sono la scelta in più; in particolare, l'originale versione BiColor,
che abbina al bianco della parte esterna i colori di tendenza nella parte interna.

Shapes never seen before. Ideal for seeing beyond.
Surfaces completely glazed. Zero porousness. More hygiene, more beauty.
Absolute colours. Or chromatic contrasts.
Spaces that open upon a new vision of the bathroom, of fittings, of aesthetics.
The bathroom fittings become almost pieces of furniture, containers, thanks to the
counter created by the emptying of the inner space. The colours are the extra choice;
in particular, the original BiColor version, which combines the white of the outside
with the fashionable colours of the inside.

Superficies completamente esmaltadas. Cero porosidad.
Más higiene, más belleza. Colores absolutos. O en contraste cromático.
Espacios que se abren a un nuevo concepto de baño.
De decoración. De estética.
Los sanitarios se convierten en piezas de decoro, casi unos muebles, unos
contenedores, gracias al plano de apoyo creado vaciando el espacio interno. Los
colores representan una selección más; en especial la original version BiColor,
que une el blanco de la parte externa con los colores de tendencia de la parte interna.

Outline. Diverso da tutto, diverso per tutti.

Vintage idea

Outline è un omaggio appassionato allo stile e allo spirito degli anni '60.
Linee forti. Colori decisi. Idee diverse. E' il vintage che prende vita.
E trasforma il bagno.

Outline is a passionate tribute to the style and the spirit of the '60.
Strong lines. Bold colours. New ideas.
It's vintage that comes to life. And transforms the bathroom.

Outline es un homenaje apasionado al estilo y al espíritu de los años '60. Líneas fuertes. Colores firmes. Ideas diferentes.
Es el vintage que toma vida. Y transforma el baño.

The opposite of colour

Tutti i colori fanno il bianco.
Nessun colore fa il nero.
Tutti i colori e nessun colore insieme
fanno Outline Black&White.

Black&White...

... and bookcase

“Quando non ho niente da fare, leggo.”

Charlie Brown

“...spiegò il giornale
voltando le pagine una dopo l'altra
sulle ginocchia denudate.
Qualcosa di nuovo e agevole.
Non c'è nessuna fretta.
Tratteniamola un po'.
Lesse tranquillamente, trattenendosi,
la prima colonna e cedendo,
ma resistendo,
attaccò la seconda.”

James Joyce

Quando la perfezione prevale sulla bellezza, si è noiosi.

Quando la bellezza prevale sulla perfezione, si è vuoti.

Quando perfezione e bellezza si equilibrano, si è superiori.

Welcome to the colours

Red hot. passion

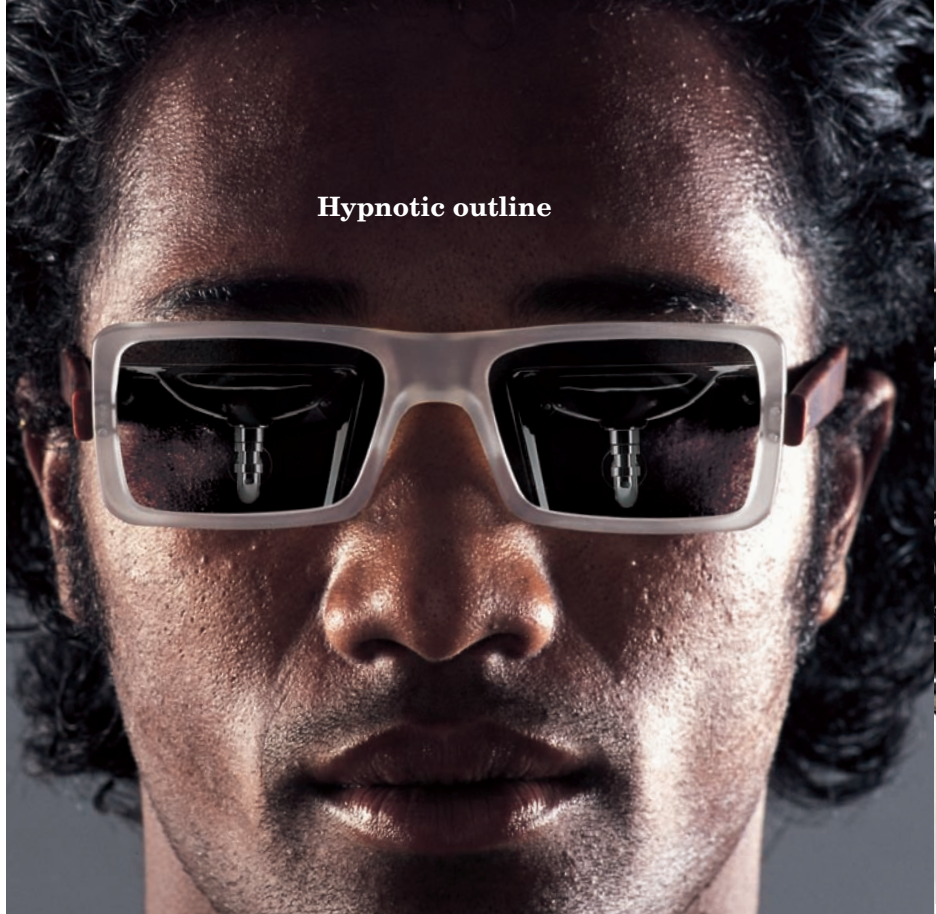

Quella che nel '500
Tiziano ritraeva come
la Venere di Urbino,
oggi spenderebbe una fortuna
in creme anticellulite.
La bellezza deve essere
contemporanea.

Hypnotic outline

Clonazione impossibile.

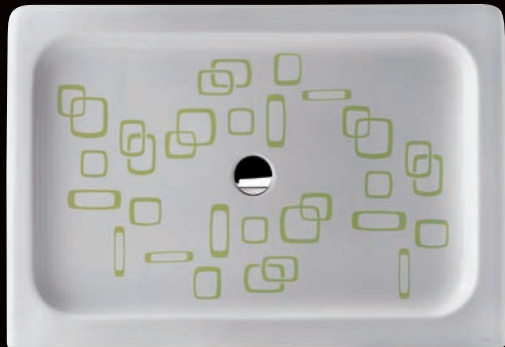

C'è un mondo tutto uguale.
E c'è Outline.
Adesso non hai più scuse
per essere uguale.

Ci sono delle cose perfette,
ma finché non parlano
all'immaginazione
non sono ancora belle.

I colori del motivo grafico antisdrucciolo del piatto doccia si abbinano ai sanitari.
La tenda si abbina al piatto doccia.
Outline si abbina solo a gusti unici.
